

***REMARKS***

The foregoing listing of claims is submitted in response to the Office Action mailed 22 September 2008 for the subject application. In the referenced Office Action, which included a Notice of Non-Compliant Amendment (37 CFR 1.121), it was noted that the claim listing of Applicant's Amendment filed 06 August 2008 included incorrect amendment indicia (underlining and strikethrough). More specifically, the Office Action stated such applied to claims 1, 22, and 23.

In response to the Office Action, Applicant hereby submits a revised listing of claims in connection with the Amendment filed 06 August 2008. In particular, the underlining and strikethrough for claims 1, 22, and 23, have been revised. No new matter has been added. Applicant requests that the Examiner conduct further examination of the subject application as hereby amended in light of the arguments and remarks submitted by the Amendment filed 06 August 2008.

Please charge any fees which may be due, or credit any overpayment, to Deposit Account Number 50-1133. The Examiner is invited to telephone the undersigned attorney to discuss any aspect of the subject application or this paper.

Respectfully submitted,
